## **Local Susan G. Komen 3-Day® Participant Inducted into Lifetime Commitment Circle as Top National Fundraiser**

**Twin Cities—JUNE 19, 2018—** Susan G. Komen® will induct the top fundraisers for the Susan G Komen 3-Day® into the Lifetime Commitment Circle. The inductees include Patricia Miller along with 33 other individuals and 19 teams who have raised over a combined \$34,000,000.00 through their participation in the Susan G Komen 3-Day®.

The Susan G. Komen 3-Day® is a three day, 60-mile walk where participants raise a minimum of \$2,300 in hopes of ending breast cancer forever.

Each inductee has raised at least \$100,000 individually for the 3-Day over their lifetime, or at least \$1,000,000 as a team for the 3-Day over their lifetime. They will be honored June 21-22 at Susan G. Komen Headquarters in Dallas, TX during an appreciation and mission-focused event.

Patricia Miller has raised \$111,540.00 and participated in nine 3-Day walks over her lifetime.

Patricia Miller along with other top fundraisers will have their names inscribed on a permanent appreciation mural at Komen's headquarters. Three fundraising levels will be recognized in the Lifetime Commitment Circle:

- Courage: \$100k for an individual and \$1M for a team
- Impact \$250k for an individual and \$2M for a team
- Promise \$500k+ for an individual and \$3M+ for a team

"We are honored to have the opportunity to recognize Patricia Miller among the top 3-Day fundraisers. She has worked tirelessly to advocate on behalf of Susan G. Komen and the 3-Day walk," said Paula Schneider, Susan G. Komen CEO. "All of these participants have raised millions of dollars towards saving lives and ultimately ending breast cancer forever; they have shown that they are truly more than pink. Thanks to these individuals, we are making progress toward reducing the current number of breast cancer deaths by half in the U.S. by 2026 and, for that, we can never thank them enough."

Honorees will attend a private, mission-focused event where they will meet with Komen executive leadership. The program includes a breakfast, panel discussion with the Scientific Advisory Board and a round-robin session with the Mission team where participants will learn more about the programs they are helping to fund. The group also will be provided with the tools and support needed to help them continue their advocacy through the Susan G. Komen 3-Day.

### **ABOUT THE SUSAN G. KOMEN 3-DAY®**

The Susan G. Komen 3-Day® is a 60-mile walk for women and men who are ready to end breast cancer forever. Participants raise a minimum of \$2,300 and walk an average of 20 miles a day for three consecutive days, educating tens of thousands of people about breast health and raising funds to help support breast cancer research and community outreach programs. Over the past 14 years and 156 events, the Komen 3-Day has raised more than \$820 million—which Komen has used to save lives and make huge strides in breast cancer research. In 2016, Susan G. Komen® set a Bold Goal to reduce the current number of breast cancer deaths by 50 percent in the U.S. by 2026. Seventy-five percent of the net proceeds raised by the Susan G. Komen 3-Day® help Susan G. Komen® support the global research program and other mission objectives, while the remaining 25 percent helps Affiliates support local programs including medical assistance, patient navigation and provider education, for example, all of which support Komen's Bold Goal.
