INVESTING WITH CONFIDENCE

Susan G. Komen has received Charity Navigator’s rating of two stars. Susan G. Komen Minnesota has received the “Meets Standard” seal from Charities Review Council. No matter what level of support you give Susan G. Komen Twin Cities Race for the Cure, you can do so with confidence in the impact your investment will have on ending breast cancer!
**WHO WE ARE**

Susan G. Komen is the world’s leading nonprofit breast cancer organization, working to save lives and end breast cancer forever. Komen has an unmatched, comprehensive 360-degree approach to fighting this disease across all fronts and supporting millions of people in the U.S. and in countries worldwide. We advocate for patients, drive research breakthroughs, improve access to high-quality care, offer direct patient support and empower people with trustworthy information. Born out of a promise between two sisters, Susan G. Komen remains committed to supporting those affected by breast cancer today, while tirelessly searching for tomorrow’s cure.

**WHY SUPPORT THE SUSAN G. KOMEN TWIN CITIES RACE FOR THE CURE?**

- **Every 74 seconds someone in the world dies of breast cancer.**
- **More than 9 Minnesota women per day hear the words, “You have breast cancer” and nearly 2 Minnesota women die from breast cancer each day.**
- **It is only through the generous support of our registrants, donors, and sponsors that we are able to make great strides in the fight against breast cancer.**

Since 1993, Komen Minnesota has invested over $46 million in Minnesota nonprofit institutions for breast cancer awareness, education, outreach, screening, treatment support and research.

- **75% of our net proceeds remain in Minnesota to fund statewide breast health and breast cancer support programs.**
- **25% is directed to the national Susan G. Komen Grants Program for critical research.**
- **Of the $988 million Komen has funded in 34 years of research, $103 million has been awarded in research in Minnesota.**
- **Our Mission: Save lives by meeting the most critical needs in our communities and investing in breakthrough research to prevent and cure breast cancer.**
- **Our Goal: Reduce the current number of breast cancer deaths by 50% in the U.S. by 2026.**

**WE HERE. WE HERE. WE SAVE LIVES HERE!**
